

# Tierrasanta Community Stage Project

Members of the community from the Tierrasanta Open Space Committee, Tierrasanta Foundation, Tierrasanta Jr. Womens Club, Tierrasanta Kiwanis, and the Tierrasanta Recreation Council joined to select the location and design for a permanent stage.

Tierrasanta community events at the Community Park in the last 10 years to have broadened beyond the longstanding Oktoberfest, the Tierra Fest evening activities, movies in the park, baseball, and softball, but now include events such as concerts in the park, fire helicopter demonstrations, and this year's inaugural Tierrasanta Fun Run on July 2nd. All these events and others, such as, Community Emergency Response Team (CERT) and fire safe assemblages, and fitness demonstrations can benefit from having this permanent stage platform.

**Your contributions help support this wonderful Tierrasanta Community Stage project!**
